Private Pilot Kit: \$150.00

Instrument Kit: \$125.00

(We will do our best to maintain these prices, however, inflation is increasing the cost of all items and we reserve the right to adjust our price accordingly) (We will include shipping as applicable) (Any Credit Card purchase will incur an additional fee for Credit Card Processing.)

You may purchase these items at your preferred store or individually or as a kit through Blue Canyon Aviation at 530-524-8472. We work with ASA Manuals and our guides, templates and outlines are based upon ASA's textbook format. You may use other manuals and textbooks, however, the notes and outlines from the courses will not align with your Jeppesen, Gleim or other textbooks and manuals.
