Computer requirements:
- No Chromebooks
- No Internet Explorer - Chrome works best for most, but Edge, Safari and Firefox work also.
- Windows: 10 or better, 4 GB ram, USB port
- OIS: mac OS 11 or better, 4 GB ram, USB port/Bluetooth
- There shouldn't be a problem with the wi-fi, but if you have a hot spot on your phone, you may wish to bring it (optional).
- This class does not cover the mobile app, but be aware that there is one and it is a different program.

Before attending class:

- https://design.cricut.com
- Download this desktop app and set up an account with Cricut (it's free and required to use the software). Do NOT download from the app store, this is not the correct software. Make note of your log in information.
- <u>There will be a file purchase of $3.99 required</u>, instructions for download will be sent prior to class.
