

Material List
Ikebana: Japanese Art of Floral Arrangement
Mayumi Nelson Tavalero

- 2-3" flower frog
- Sharp scissors or pruning shears for cutting stems
- Decorative waterproof shallow bowl for your arrangement (that your frog will fit into)*
- Drinking glass or deep bowl for cutting stems underwater
- An assortment OR single bunch of your favorite flower stems
- Leaves such as philodendron, palm fronds, or pothos vine (check your houseplants!) or scour your yard for small branches of maple, grasses, sword shaped leaves, etc.
